

not to exceed 5% per annum, maturing serially, in such amounts annually as may be fixed by said Commission, but all payable within a period of twenty years from date, and said bonds or notes shall be sold as the General Construction bonds of said Commission are now sold; and for the purpose of paying interest on said bonds and principal of the same as they become due, said Commission is authorized to make and fix a reasonable schedule of charges for the reception and disposal of all garbage, trash, rubbish, refuse or junk. The receipts therefrom shall, after payment for the operation of said plant, be applied toward the net payment of principal and interest, and in the event that the net proceeds of said fees and charges are not sufficient to meet the carrying charges of said bonds or notes, said Commission is authorized to pay the difference out of the general water receipts provided for in Chapter 122, Acts of 1918.

SEC. 2. *And be it further enacted*, That whenever said Commission shall declare said incinerator or incinerators operating and ready for use it shall upon the request of the Board of County Commissioners of Montgomery County institute, maintain and operate such system of refuse collection and disposal in that part of the Sanitary District within Montgomery County as in its judgment shall best promote public health, economy and convenience and shall prescribe the territory to be served within said District. The Commission shall have full power to adopt and enforce rules and regulations relating to the treatment and disposition of all varieties of refuse, garbage, or trash on private property before collection. The Commission is empowered to fix and collect a reasonable charge from the owners of all improved properties within the area served by its refuse collection and disposal system and may bill said charges with its water bills or otherwise as it deems advisable; said fees and charges to be fixed upon the basis of the cost of collection and disposition of garbage, refuse and rubbish.

SEC. 3. *And be it further enacted*, That it shall be unlawful for any person, firm or corporation to engage in the business of collecting, for hire, garbage, trash, refuse, rubbish or junk, after said Commission has declared its system of collection and disposition of refuse in effect, without a permit from said Commission and subject to such rules and regulations as the said Commission may adopt. It shall be unlawful for any person, firm or corporation to operate or maintain a dump or other place for the disposition of garbage, trash or refuse without a permit from said Commission and under such rules and regulations as said Commission may adopt; and it shall be unlawful for any person, firm or corporation
